AGENDA ITEMS for 3RD C.C.M

- 1. Marketing of OBD (Out bounding dialing) services effectively in AP circle where ever NGN services are available :** OBD (out bounding dialing – Playing pre recorded voice for extending any kind of invitation) services are to be marketed by the concerned wings of marketing sections. At present customers are utilizing these services are very low in percentage. Customers are not aware this service. Therefore our concerned sections may visit all function halls, kalyanamandapams, convention centers etc places of respective stations where NGN services are available and knowing them about this OBD service which will be available with the BSNL by floating leaflets with tariffs. This is one of revenue earning parameter. And also useful to the customers in current scenario/trends.
- 2. Arresting delay in medical permissions (LOAs) in case of inter circle cases :** It is experienced that inter circle medical cases are being delayed by 7/10/12 days respectively in circle office. It become hardship on part of the employees. Operations are being delayed, it causes life risk in some times. Hospital authorities are not admitting the patients without LOAs. However ultimate sufferers are our employees. In case of Hyderabad it will be combined capital for ten years up to 2024. Therefore take up the issue with the corporate office treating the AP & Telangana as a single circle in case of medical LOAs up to 2024.
- 3. Provision of sufficient of seating arrangements to the Gr,C officials in circle office sections like establishment, OP and other sections :** in circle office in some sections there is no place for sitting and discharging their duties. In room No. 214 six work stations are idle for the last six months. In OP section room No. 203 some other sections like S&M and PR sections are existing and over loaded. There fore arrange the sections by making space audit at once. Provide the seating arrangements to all the Gr.C staff in all sections of circle office.
- 4. Conduct of AP circle and circle office welfare board meetings immediately and required action for bifurcation of welfare grants :** Staff side nominated welfare committee members to the circle welfare board and circle office welfare board. No welfare board meetings were conducted till now. Due to this no welfare loans are being sanctioned to the staff members for various purposes. At the same time welfare grants were not separated, there by no scholarships not being sanctioned to the wards of staff members. Hence

circle management may take suitable action for bifurcation of funds and conduct of meetings without further delay.

5. **Conduct of confirmation examination in the cadre of TOA(G)& TOA(TG) in AP circle :** The circle management is requested to conduct the confirmation examination to the cadre of TOA(G) & TOA(TG) to the left over officials immediately latest by 30-9-2018 as per the corporate office orders vide No. 250-10/2009-Pers/Estt-III dated 09-8-2018 & 02-07-2018. This confirmation is mandatory for Sr.TOA(G) examination also.
6. **Supply of Xerox copies of SBs to the officials on the retirement day :** The Xerox copies of the service books may be supplied to the officials at the time retirement. This record is essential to be required to the retired official on various occasions. It is experienced that after retirement in some cases SBs were misplaced in transmission to DOT cell to SSAs vice versa.
7. **Conduct of HPC for compassionate ground appointments in AP circle for the cases pending as on date :** It is learned that some cases were transferred from combined circle office and cases were accumulated at circle office from SSAs. Status may be indicated .
8. **LT Connections to the Quarters :** All staff quarters are to be provided LT electricity connections, because all staff quarter connections are being used for domestic purposes. But in some SSAs like WG SSA in palakole exchange some staff members were served notices to pay HT tariff with arrears of huge amounts. It is not correct and against the norms.
9. **Provision of water coolers in 2nd and 3rd floors of BSNL bhavan in circle office :** it is requested to the circle management to provide water coolers at 2nd and 3rd floors of the circle office.
10. **Implementation of revision of minimum wage rates to the casual mazdoors as per the corporate office orders vide C.O.ND NO.2-2/(Misc/Revised wage rate/2018-WS&I dated 23-05-2018:** Corporate office has circulated minimum revised wage rates wef 1-4-2018. This may be implemented in all the SSAs of AP circle.
