Subject:- Financial crunch affecting the BSNL services –request for urgent attention and intervention.

Respected sir,

Some time past we met and apprised you about the grim situation prevailing in the field due to non allotment of adequate fund from BSNL HQR's. The situation till date remains unchanged resulting setback to the services.

It is reported that the employees are paid only home salary (Net salary) and the recoveries of bank and society loans etc.. are not being reimbursed causing penalties. Even GPF and pension contributions are being withheld which will definitely bring complications and hardships to the staff in future. The employees are already groaning and suffering due to non-settlement of their medical claims for last four months.

Apart from above an alarming situation has developed due to non-payment of electricity bills resulting stoppage of power supply. We needn't dilate the adverse effects of electricity cuts. Many exchanges and Towers are down.

We are extremely sorry to learn that even in the above scenario the purchase of equipments and payment of AMC's Etc.. are cleared. Appointment of consultants and their retention are continuing. We are reasonably aggrieved and perurbed over the present situation.

We shall feel obliged in case the points raised by the union get due consideration and urgent steps are taken to lift the company from the present morass.

With deep regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
